cornercommunitycenter@comcast.net

Dear Neighbor,

First Christian Church introduces to you the Corner Community Center (CCC). As we launch this new non-profit that will maintain and enhance the building and grounds at 5802 Roland Ave., we want you to know how vital you are to preserving this property as a spiritual and community space for growing relationships and networking with neighbors. If the CCC can become self-sustaining and vibrant, it will ensure that there are spaces available for groups to have a safe, accessible, and affordable place to meet.

The Corner Community Center currently houses five faith communities and 10 other organizations and was created as a non-profit entity to sustain this current participation while also focusing on presenting new programs and opportunities that we hope will interest you. The center will also be searching for new groups who need a space to meet.

CCC seeks both ongoing and one-time donations as seed money for this newly formed center. To expand our programming, we need start-up funds. Current sources of financial support are not enough to sustain the center or the property.

Any contribution will help to grow this new community center and provide the staffing and support to produce new events. Donate today at [cornercommunitycenter.org](http://cornercommunitycenter.org) or by sending a check to Corner Community Center at 5802 Roland Ave., Baltimore, MD 21210, made out to "Corner Community Center."

Your gift is extremely important because it offers immediate resources that are directed to current needs and opportunities at the center. Your generosity will be part of the base for establishing a quality community center to serve your needs and interests.

Thank you for your participation in our future.

Sincerely,

Morad Eghbal

Interim Director, Corner Community Center
